YES!

The Sharing Place is currently accepting donations.

Drop-off your donations at:

416 East 115th Street - a storefront one block away from the Sharing Place

Why the new drop-off location? The Sharing Place is working with Arcoiris, a new worker cooperative that is providing sorting, warehousing and inventory functions for the thrift shop. The workers at Arcoiris own their business, are committed to providing a quality service, and support the mission of LSA. Every donation dropped off at Arcoiris is delivered after processing to the Sharing Place.

Drop-off donations are welcome Monday – Saturday, 9:30am – 4:30pm.

Pick-ups of large items and big donations can be arranged to fit your schedule.

Pick-ups are subject to available storage space.
